

Program Planning Guide

Bachelor of Arts: History

YOUR COURSE PLANNING: This worksheet has been created as a guide for admitted students. Note, your course planning may look different than another student; this worksheet has been designed for students wishing to complete their program within a four-year timeline. Students may elect to take part-time studies or a reduced course load. Refer to the [Undergraduate Academic Regulations](#) within the Undergraduate Calendar for more information.

For requirements that have a “pick list” (i.e. *choose one of*) please visit the Undergraduate Calendar to see a detailed list. The list or requirements may change, so please ensure you follow the appropriate requirements (the 2024-2025 Undergraduate Calendar). After July 1, 2024, you can find the calendar in a [PDF format](#).

Advisor Notes

COURSE PLANNING: For your first year of study, the recommended courses are listed above. After that, students should utilize their Academic Calendar along with their [Degree Evaluation](#), a tool that interprets the Undergraduate Calendar for the year that you were admitted and helps display the requirements needed for your program. You can also always connect with your Student Advisor for help with course planning. Students should consult the Undergraduate Calendar for course descriptions and pre/co-requisites, www.unbc.ca/calendar.

TIME LIMIT: Except by permission of the Dean, students must complete their undergraduate degree program within 15 years of their first semester of registration.

RESIDENCY REQUIREMENT: Students must complete a minimum of 30 credit hours of upper division UNBC coursework to receive a UNBC degree.

TRANSFER & RETURNING STUDENTS: Please consult with your Student Advisor to determine how your previous work may best be applied to the program requirements. When registering for coursework pay close attention to the course preclusions to ensure you are not registering in duplicate coursework.

DOUBLE MAJORS: Students who are considering a double major should speak with their Student Advisor as soon as possible.

MINORS: To see available minors, please refer to the [Declaration of Minor form](#) or look in the Program pages of the [Undergraduate Calendar](#). Minors are a structured way to use your electives while also completing a secondary concentration.

ELECTIVES: Your first year is structured to have lots of opportunity to explore with electives! We encourage students to take a wide variety of courses they are interested in. A minor is a great way to concentrate your electives. Talk with your Student Advisor for suggestions!

HONOURS: Students with a minimum cumulative GPA of 3.33 can apply for Honours after 60 credit hours of study, including completion of HIST 190, HIST 191, 12 credit hours of 200 level HIST coursework, and HIST 300. Please see your Student Advisor for more details!

ONLINE RESOURCES: Be sure to check out www.unbc.ca/advising for videos and resources on a variety of helpful topics such as registration 101, Academic Difficulties, Resources and Supports on campus and more!
