### Commentary

- In February, bond yields rose across all maturities, with shorter-term yields increasing more than longer-term yields. By sector, federal bonds outperformed provincial bonds, and both outperformed corporate bonds.
- Consumer price index rose 5.7% in Canada and 7.9% in U.S. for the twelve-months ending February. Gasoline experienced the highest increase for the period in both countries .
- Commodity prices including oil prices rose sharply since Russia's invasion of Ukraine in late February.

**Commentary**

- Global equity markets continued to fall this month, experiencing high volatility since the Russia-Ukraine war.
- In contrast, Canadian equity market posted a slight gain as natural resource sectors benefitted from higher commodity prices. Gains in these sectors led strategies with low exposure to them, such as Beutel Goodman Canadian equity, to trail the index.
- The style rotation from growth to value stocks continued this month across major equity markets.
